Personal Information

Nome **Perbellini Omar**

Adress **Via F. Ferrucci 5 - 37135 - Cadidavid - Verona**

Telephone +39 340 610 8030

Fax

E-mail omar.perbellini@gmail.com, omar.perbellini@univr.it

Nationality Italian

Date of birth July 9th, 1975

Work Experience

November 2011 - Present Flow cytometry Lab Manager in the Hematology Unit of Azienda Ospedaliera Integrata di Verona - Dir. Prof. Giovanni Pizzolo

Name and address of employer University of Verona

Type of business or sector Azienda Ospedaliera Universitaria Integrata di Verona

Occupation or position Permanent employment held

Main activities and responsibilities Diagnostic management and coordination of the laboratory technical staff within the Hematology Unit

From December 2008 Laboratory technician in the cytometry lab - Section of Hematology - Dir. Prof. Giovanni Pizzolo

Name and address of employer	University of Verona
Type of business or sector	Azienda Ospedaliera Universitaria Integrata di Verona
Occupation or position held	Permanent employment
Main activities and responsibilities	Immunophenotypic approach in the diagnostic work-up of Hematology patients
From 2007 to 2010	Coordinator in Regione Veneto of cytometry laboratories within a project funded by Regione Veneto aimed at studying B-cell chronic lymphocytic leukemia
Project coordinator	Prof. Giovanni Pizzolo
Main activities and responsibilities	Coordination activity of the reference centers for flow cytometry in Regione Veneto
From 2005 to 2010	National referee, in collaboration with the Institute of Hematology, University "La Sapienza" (Head Prof. R. Foà) for the flow cytometric assessment of minimal residual disease in the GIMEMA LAL 0904 protocol
Project coordinator	Prof. Robin Foà - GIMEMA - Institute of Hematology, University "La Sapienza" - Roma
Main activities and responsibilities	Analysis and validation of MRD data of patients enrolled in the GIMEMA LAL 0904 protocol
From March 2005 to December 2008	Research Assistant at the Department of Clinical and Experimental Medicine - University of Verona - Hematology Section (Dir. Prof. Giovanni Pizzolo)
Name and address of employer	University of Verona
Type of business or sector	University of Verona
Occupation or position held	Fixed-term employment
Main activities and responsibilities	Development of flow cytometry protocols for the evaluation of minimal residual disease in LAL

From 2004 to 2012	Hematological home care to hematology patients with the support of Verona's Hematology Unit and AILVerona Onlus
Name and address of employer	AILVerona Onlus - President Daniel Lovato - Piazzale LA Scuro 12-37134 - Verona
Type of business or sector	AIL (Associazione Italiana contro le Leucemie) Verona Onlus
Occupation or position held	Fixed-term employment
Main activities and responsibilities	Home clinical care of hematology patients
September 2002	Academic Visitor at the laboratory of Prof. D. Campana (St. Jude Children's Hospital, Memphis TN), for the immunophenotypic study of minimal residual disease in ALL
Project coordinator	Prof. D. Campana (St. Jude Children Hospital, Memphis TN)
Main activities and responsibilities	Development of flow cytometry protocols for the detection of minimal residual disease

Education and Training

October, 30th, 2008 Bachelor's degree in Biomedical Laboratory Technician

Name and type of organisation providing education and training

Principal subjects/occupational skills covered

Analysis of B-cell transduction signaling in B-cell chronic lymphocytic leukemia by flow cytometry

Level in national or international classification

110/110 and commendation

November, 30th, 2004 Medical Residency in Hematology

Name and type of organisation providing

School of Medicine - University of Verona

education and training	
Principal subjects/occupational skills covered	Immunophenotypic monitoring of MRD in adult B-ALL patients: a methodological approach
Level in national or international classification	50/50 and commendation

July, 10th, 2001 Professional qualification

24 novembre 2003 Member of the Order of Physicians and surgeons of Verona no. 7322

July, 10th, 2000 MD degree

Name and type of organisation providing education and training	School of Medicine - University of Verona
Principal subjects/occupational skills covered	The minimal residual disease in adult acute lymphoblastic leukemia (ALL): immunophenotypic study
Level in national or international classification	108/110

Personal skills and competences

Mother tongue **Italian**

Other language **English**

Reading skills good

Writing skills good

Verbal skills basic

Social skills and competences Excellent interpersonal and teamwork skills, gained during:

- the medical residency in hematology together with the post-graduate training in the hematology lab of University of Verona;
- through the various collaborations with other national and international research groups

Organisational skills and competences	Excellent organization and administration skills, improved as Lab manager in the Hematology Unit, as well as coordinator of cytometry laboratories within a project funded by Regione Veneto for the study of B-cell chronic lymphocytic leukemia
Technical skills and competences	<p>Depth knowledge of flow cytometry both for diagnostic and research purposes</p> <p>Excellent knowledge of the mainly operation systems and applicative programs</p> <p>Ability to design and implement database by using FileMaker Pro</p>
Driving licence	B

Additional information
