PERSONAL INFORMATION

Name **QUAGLIA FRANCESCA MARIA**

Date of birth **27th May, 1987**

WORK EXPERIENCE

From February 2020	Haematologist (permanent consultant)
Name and address of employer	Azienda Ospedaliera Universitaria Integrata (A.O.U.I) Verona, P.le A. Stefani, 1; 37126, Verona
Type of business or sector	Haematology Unit and Bone Marrow Transplantation Center. Policlinico G.B. Rossi, Verona
Occupation or position held	Medical Doctor. Haematologist
Main Activities and responsibilities	Clinical activities: Haematology Outpatient Unit/Day Hospital. Haematology and Bone Marrow Transplantation Unit
January 2019 – February 2020	Haematologist (with autonomous work assignment)
Name and address of employer	Azienda Ospedaliera Universitaria Integrata (A.O.U.I) Verona, P.le A. Stefani, 1; 37126, Verona
Type of business or sector	Haematology Unit and Bone Marrow Transplantation Center. Policlinico G.B. Rossi, Verona
Occupation or position held	Medical Doctor. Haematologist
Main activities and responsibilities	Clinical activities: Haematology Outpatient Unit. Haematology and Bone Marrow Transplantation Unit
From October 2018	PhD Program in Clinical and Experimental Biomedical Sciences
Name and address of employer	University of Verona, Ufficio Dottorati di Ricerca, Via San Francesco, 22; 37129 Verona, Italy
Type of business or sector	Azienda Ospedaliera Universitaria Integrata (A.O.U.I) of Verona. Policlinico G.B. Rossi. Haematology section, Department of Medicine. Laboratorio universitario di ricerca medica (LURM)
Occupation or position held	PhD Student (II year), Medical Doctor
Main activities and responsibilities	<i>In vitro</i> an <i>in vivo</i> research. Translational research. Clinical research
December 2014 – December 2018	Residency in Haematology, University of Bologna – A.O.U. of Ferrara
Name and address of employer	University of Bologna, Ufficio Scuole di Specializzazione Mediche, Polo didattico Murri, Policlinico S.Orsola-Malpighi, Via Massarenti 9, 40138 Bologna – Italy
Type of business or sector	Azienda Ospedaliera Universitaria (A.O.U.) of Ferrara (Arcispedale Sant'Anna), Via Aldo Moro, 8; 44124 Cona (Ferrara), Italy. Haematology Section, Department of Medical Sciences
Occupation or position held	Medical Doctor, Resident (4 years)
Main activities and responsibilities	Clinical Activities: Haematology Inpatient Unit, Bone Marrow Transplantation Unit, Day Hospital (A.O.U. of Ferrara) Clinical training program at the Bone Marrow Transplantation Unit of "L. and A. Seràgnoli Institute of Haematology", S. Orsola - University Hospital, Bologna (May - June 2017) Clinical Research
August 2013 – November 2014	Residency in Internal Medicine, University of Verona – A.O.U.I. of Verona
Name and address of employer	University of Verona, Ufficio Scuole di Specializzazione, Via Bengasi 4, 37134 Verona – Italy

Type of business or sector	Azienda Ospedaliera Universitaria Integrata (A.O.U.I.) of Verona (Policlinico GB Rossi), P.le Scuro, 10; 34134 Verona, Italy. Internal Medicine Section, Department of Medicine
Occupation or position held	Medical Doctor, Resident (1 year and 3 months)
Main activities and responsibilities	Clinical Activities: Inpatient Unit, ambulatory care clinic. Clinical Research

EDUCATION AND TRAINING

2 nd December 2019	ILS: Immediate Life Support. IRC/ERC
11 th -13 th June 2019	Course on BD FACS DIVA Canto II. Training Center BD Biosciences (Milano)
6 th -9 th February 2019	Winter School ISCCA, Flow Cytometry for beginners (Urbino)
December 2018-January 2019	Prevention and safety at work: training course on general concepts (Accordo stato regioni 21/12/2011 and 7/7/16; art. 37, D.Lgs. 81/08)(3/1/19). Specific training course for safety management in laboratories (12-13 /12/2018)
14 th December 2018	Specialization in Haematology, University of Bologna (Italy) (110/110 cum laude) Title of the Specialization thesis: "In chronic lymphocytic leukaemia with complex karyotype, major structural abnormalities identify a subset of patients with inferior outcome and distinct biological characteristics"
11 th - 12 nd October 2018	GITMO Educational Course, II Part (Montesilvano): The clinical core of allogeneic HSCT
July-August 2018	Admission to the PhD in Clinical and Experimental Biomedical Sciences, University of Verona
10 th May 2018	Investigator Site Personnel ICH GCP Training Certificate (version #1.0)
6 th - 7 th November 2017	GITMO Educational Course, I Part (Milano): Biologic bases of the HSCT
June 2017	FAD Course for professionals of the HSC Program (Centro Nazionale Trapianti)
13 th October, 17 th November 2016	Course of Simulation of emergencies in the Unit of Oncology and Haematology (theory and practice)
16 th - 17 th December 2015	BLS-D: Basic Life Support and Defibrillation
23 rd March 2015	BD™ SCE Application Module on BD FACSCanto II. Haematology Laboratory, Ferrara University Hospital
November 2014	Admission to the Residency Program in Haematology. University of Bologna, A.O.U. of Ferrara
20 th October 2014	GIMBE4YOUNG 2014, Scholarship for the course "Evidence-based Practice" (Bologna, 19 th -20 th December 2014; 15 th -16 th January 2015)
30 June 2014	Second Level degree in Medical Science by Scuola Superiore Sant'Anna (100/100 cum laude). Title of the degree thesis: "Fentanyl Buccal Tablet: a new breakthrough pain medication in early management of severe vaso-occlusive crisis in sickle cell disease"
16 th November 2013	Competition "Rete di Idee 2013, Sezione Bolognese". Oral Presentation: "Visual Processing in Autism", best essay of the Italian School of Excellence (Medical Sciences Section)
August 2013	Admission to the Residency Program in Internal Medicine, University of Verona - AOUI Verona (1st year completed)
February, March 2013	Diploma conferring the right to practise medicine and surgery (Professional qualification)
November 2012- January 2013	Stage at Cisanello University Hospital in Pisa (Neuroradiology and Radiology Department Dr M Cosottini, Pr D Caramella)
25 th September 2012	Degree in Medicine and Surgery by University of Pisa (110/110 cum laude and dignity of print). Title of the degree thesis: "Role of the EEG-fMRI in the preoperative work-up of patients with intractable focal seizures"
October 2011	Stage (4 weeks) at Necker-Enfants Malades University Hospital in Paris (Radiology Department, Pr JM Correas)
August-October 2010	Summer Studentship at the Hospital for Sick Children in Toronto (Neuroimaging lab, Senior Scientist Margot Taylor)
October 2009	Two-week journey in USA (Washington, Baltimore and New York) organized by Scuola Superiore Sant'Anna: visit to NIH, Johns Hopkins University, Mount Sinai Hospital, Weill Cornell Medical College and New York-Presbyterian Hospital
September 2006	Application for the School of Medicine and Surgery, Università degli Studi di Verona and entry exam; Application for Scuola Superiore Sant'Anna (Pisa) and entry exam; transfer to the University of Pisa
June 2006	High School (curriculum: Liceo Classico), final mark: 100/100 (all tests with full marks).
May 2006	First classified in <i>Novum Certamen Catullianum</i> – Verona, whit an essay on <i>C. Valeri Catulli Carmen LXXVI</i>
December 2005	(FCE) Cambridge First Certificate in English (Level B-2), Grade B
June-July 2005	Stage at Policlinico Universitario Giambattista Rossi (Internal Medicine, Pathological Anatomy,

Courses attended at the Scuola Superiore Sant'Anna (2006-2012)

- Techniques of Learning and Communication (Evidence-Based Practice course; 20 hours).
- Bioethics in Medicine.
- Horizons in Biology and Medicine.
- Public Health Performance: from evaluation to management.
- Applied statistics.
- Molecular Biology.
- Medical Genetics.
- Biochemistry.
- Problems in Physiology and Physiopathology (Journal Clubs).
- Methodology and Technology in Biological and Medical Research.
- Clinical Medicine: Diagnosis and Practice.
- Surgical diagnostics and practice (stages).
- Errors in Medicine.
- Clinical and Research Education (Journal Clubs).
- Training course: minimally invasive procedures (arterial blood sampling, inserting an arterial line, placement of a feeding tube and so on)
- BLS-D: Basic Life Support and Defibrillation (June 2011).
- ACLS: Advance Cardiovascular Life Support (November 2012).

Scuola Superiore Sant'Anna Annual essays (2006-2012)

- A genetic perspective on some complex psychopathologies with particular attention to schizofrenia (30/30)
- Phosphenes (30/30)
- The Little Imitator: The Porphyrin (30/30)
- Visual processing in Autism (30/30 cum laude)
- Contrast-Enhanced UltraSound (30/30 cum laude)

Oral Presentations

- 5th Interactive Course in Haematology (Palermo, 4th – 5th February 2016)
Clinical scenario: a patient with Acute Myeloid Leukemia
- Progress in Haematology (Napoli, 24th – 25th March 2017): *HSC Transplantation for Relapsed Aggressive Lymphoma* (Tutor: F. Bonifazi)
- 2nd Conference "A Holistic approach to the Sick Person" (Verona, 27th May 2017): *Towards a New Relationship between the Doctor and the Patient*
- 3rd Conference *Scienza-Salute-Società* "Promotion and protection of human dignity and rights" (Isola della Scala, Verona, 23rd September 2017): *Communicating the Illness*
- In-hospital meeting of the Haematology Unit (Verona, 25th January 2019): *In chronic lymphocytic leukaemia with complex karyotype, major structural abnormalities identify a subset of patients with inferior outcome and distinct biological characteristics*
- Under 40 in Hematology, Final Contest (Milano, 7th-8th November 2019): *Notch signaling is a poor prognostic factor in AML*
- Riunione Nazionale FIL (Rimini, 14th-16th November 2019): *Presentation of the project Mantle First ^{BIO}, awarded by the FIL with the prize "Giovani ricercatori 2019"*

Teaching activity

Residency Program in Haematology (2015)

23/03/2015: *Chronic myeloproliferative syndromes. Genetics. Therapy*20/04/2015: *Sickle cell anemia*25/05/2015: *Pregnancy and DVT*

Residency Program in Haematology (2016)

16/03/2016: *Understanding anemia of chronic disease; iron deficiency: insights into diagnosis and treatment*20/04/2016: *What is the role of autologous transplant for lymphoma in the current era?*04/05/2016: *Monitoring and reversal of direct oral anticoagulants*29/06/2016: *Optimizing Transfusion Therapy*

March 2016: Teaching activities (case/problem-based tutorials and lectures) in the "School-Work Alternation" project with students of the Liceo Scientifico Roiti of Ferrara. Arcispedale Sant'Anna, Ferrara. Haematology Unit.

6th June – 1st July 2016: Teaching activities (case/problem-based tutorials and lectures for medical students in the Exchange Programme with the University of Maastricht. Title: "Normal and abnormal growth of tissues and organs". University of Ferrara, Ferrara, Italy.

Periodic Update in Haematology 2016 (Accredited Course for "ECM"), A.O.U. of Ferrara.
02/11/2016: *Clonal Hematopoiesis. Acute myeloid leukemia: risk stratification. Prophylaxis and treatment of infections in acute leukemias.*

14/12/2016: *Idiopathic myelofibrosis: Diagnosis and Prognostic Systems*

Periodic Update in Haematology 2017 (Accredited Course for "ECM"), A.O.U. of Ferrara.

15/02/2017: *Chronic Lymphocytic Leukemia: novel agents and prognosis*

08/03/2017: *Immune thrombocytopenia: second-line therapies*

05/04/2017: *Diagnosis and treatment of Venous thromboembolism*

22/11/2017: *Hodgkin Lymphoma. Long-term risk of malignancy and cardiovascular disease after lymphoma treatment*

Periodic Update in Haematology 2018 (Accredited Course for "ECM"), A.O.U. of Ferrara

07/02/2018: *TKI and cardiovascular risk*

16/05/2018: *Classification and risk assessment in AML: integrating cytogenetics and molecular profiling*

06/06/2018: *Emerging issues in clinical care in thalassemia*

Affiliation to scientific societies:

From 2017: Member of the Italian Society of Experimental Haematology (SIES)

From 2018: Member of the Italian Society of Haematology (SIE)

From 2019: Member of the Italian Society for Cytometric Cell Analysis (ISCCA)

From 2019: Member of the Fondazione Italiana Linfomi (FIL)

**PERSONAL SKILLS
AND COMPETENCES**

MOTHER TONGUE

Italian

OTHER LANGUAGES

- Reading skills
- Writing skills
- Verbal skills

English	French	Spanish	Ancient Greek	Latin
Excellent	Excellent	Basic	Good	Good
Good	Good	Basic		
Good	Good	Basic		

SOCIAL SKILLS
AND COMPETENCES

I like meeting people from different cultures and I like working in team. Living for 6 years at the Scuola Superiore Sant'Anna favoured this attitude. I have met people from all the Italian regions and from many countries of the world.

ORGANISATIONAL SKILLS
AND COMPETENCES

Very good organisational skills, acquired during the University period and during the work activity in Pisa, Verona, Ferrara and Bologna

TECHNICAL SKILLS
AND COMPETENCES

Flow-cytometry: quantitative flow-cytometry, surface and intracellular staining with monoclonal antibodies of haematopoietic stem cells before and after the apheresis. Flow-cytometry for the diagnosis of haematological malignancies.

Computer skills: good

ARTISTIC SKILLS
AND COMPETENCES

Music (piano and organ): very good. Writing: excellent. Literature: excellent.

DRIVING LICENCE(S)

B
