

VALENTINA LAVARINI

- Date of birth: 23/12/1987
- Place of birth: Verona (Vr)
- Nationality: Italian
- Address: via Stradella Bionde 4, Verona
- Phone Number: +39.340.71.56.279
- E-mail: v.lavarini@tiscali.it

EDUCATION:

- 2006: diploma in chemistry and biology technician at IPSIA “Enrico Fermi”, Verona. Vote:100/100.
- 2009: bachelor in Techniques of Biomedical Laboratory at University of Verona. Vote:103/110.

Thesis: “Construction of a series of 180 colorectal adenocarcinomas and evaluation of SEL1L expression by immunohistochemistry on tissue microarray”

(Supervisor: Dr. Aldo Mombello and co-supervisor: Dr. Stefania Beghelli).

TRAINING:

2006-2009 Training student at:

- Clinical Biochemistry Laboratory, Hospital of Verona
- Microbiology Laboratory, Hospital of Verona
- Immunohematology Laboratory, Hospital of Verona
- Pathology Laboratory, Hospital of Verona

From 2010 scholarship at research laboratory of stem cells, department of Medicine section of Hematology, L. U. R. M. (Medical Research Laboratories

University) of Verona.

TECHNICAL COMPETENCES:

- Stem cell isolation, culture and differentiation
- Immunophenotypic and proliferation tests on stem cells

- Immunofluorescence
- Immunohistochemistry
- handling of laboratory animals
